Statement of Principles under the Gambling Act 2005 (Agenda item 6)

The Director Development and Environment reported on the review of the Statement of Principles which set out how the Authority would administer its functions under the Gambling Act 2005. Presenting her report the Licensing Manager told the Committee that there was a requirement to review the Statement of Principles every three years and accordingly this had been updated and agreed for public consultation with no adverse comments having been received. The Committee was invited to consider the revised Statement of Principles and agree a final version for recommendation to Council for approval and adoption. The Licensing Manager responded to Members' questions and queries about the sector.

Recommended to the Council: that the revised Statement of Principles 2019-2021 be adopted and approved.
