AUD **Audit Committee Annual Report (Agenda item 11)**
8

The Chairman presented the Annual Report which set out a summary of the work undertaken by the Committee in the previous year and provided a commentary over key areas of financial and corporate governance and associated assurance activities. The report also included a revised terms of reference based on CIPFA's Best Practice guidance, for the Committee's consideration.

Approving the Annual Report Members discussed the revised terms of reference agreeing that this warranted further consideration prior to being recommended to the Council for adoption, with the Chairman proposing that this be carried out via a working group.

Recommended to the Council: that the Audit Committee Annual Report 2018/19 be received.
