We urgently need repairs to Weston Village's roads

 [Cllr. Ciaran Cronnelly](#) started this petition to [North Somerset Council](#) and [1 other](#)

Repair Weston Village's Roads now!

For too long the roads around Weston Village have been falling into disrepair and no long term solutions have been put in place.

The residents of Weston Village are fed up and call on North Somerset Council to completely remove the 'brick-based' roads and fully resurface them urgently. Short-term patching repairs won't solve the problem.

There are at least 8 areas in need of repair around Weston Village where the roads have either begun to sink or the 'bricks' have become damaged or loose. These roads have become incredibly dangerous for vehicles to drive across and bicycles to cycle over.

We need action now before there's an accident.
