Opportunities/ progress

- The north of the patch (Woodspring) has a relatively stable workforce and low referral rates
- Pier Health has the buy-in to enable delivery of primary care at scale
- There is active local interest and work progressing to scope the development of an integrated care model
- Additional investment for new roles in Primary Care Networks

Challenges/ issues

- Serious workforce pressures in the Weston locality
- Significant inequalities in health outcomes for some communities
- There are a number of estates issues that need to be resolved

Key delivery/ access issues

- Graham Rd
- Horizons
- Congresbury

Estates issues

- Parklands Villages project
- Central Weston
- Smallways
