

Report to the North Somerset Health and Well Being Board

Date of Meeting: 1 March 2023

**Subject of Report: Developing an Integrated Care Strategy for Bristol,
North Somerset and South Gloucestershire**

Officer Presenting: Sebastian Habibi, Programme Director, BNSSG ICB

Recommendations

Members are asked to:

- Note the cross-system efforts and progress to date in developing a system-wide Integrated Care Strategy.
- Note plans for developing a 5-Year Joint Forward Plan and the timeline for sharing a draft with the Board for consultation during April/May
- **Agree to hold a development session in April/May to facilitate engagement on the draft Joint Forward Plan**

Summary of Report

Please see the supporting slide deck which will be presented at the meeting and provide an overview as follows:

- Strategic Framework
- Strategy development work in progress and next steps
