**Town or parish: Nailsea**

**Officer/member presenting: Director of Public Health**

**Key decision: No**

## Recommendations

That the sub committee determines the application for the grant of the premises licence.

### 1. Summary of report

- 1.1 An application has been received for the grant of a premises licence for Posh Spice, 86 High Street, Nailsea. The premises had a licence in place previously that was revoked by licensing sub-committee on 17 April 2023.

Consultations have been carried out and representations have been received from both Avon and Somerset Constabulary and Nailsea Town Council. They believe that due to the history of the premises the applicant will not adequately promote the Licensing Objectives.

### 2. Policy

- 2.1 The Council's statement of Licensing Policy applies to this application.
- 2.2 The Licensing Act 2003 requires licensing authorities to carry out their functions with a view to promoting the following four licensing objectives:
- a) The Prevention of Crime and Disorder.
  - b) Public Safety.
  - c) The Prevention of Public Nuisance, and
  - d) The Protection of Children from Harm.
- 2.3 The Licensing Authority should have regard to the Statutory Guidance issued under section 182 of the Licensing Act 2003, and the provisions of the Licensing Act itself.

### 3. Details

- 3.1 A premises licence for Posh Spice, 86 High Street, Nailsea was in force from 19 August 2005 until it was revoked following a review of the licence on 17 April 2023.
- 3.2 An application for the grant of a new premises licence under the Licensing Act 2003 was received on 20 August 2023 from Mr Ashequl Bari Numan. A copy of the application that has been made is shown at **Appendix A**.
- 3.3 A representation was received from Avon & Somerset Police outlining the links between the applicant and previous licence holder which gives them cause for concern.
- 3.3 The premises is a two-storey building with the licenced premises being located solely on the ground floor. The application is for licensable activities including late night refreshment and the sale of alcohol.
- 3.4 There are residential and commercial properties in the proximity of the licensed premises.
- 3.5 A copy of a location plan of the premises is shown at **Appendix B**.
- 3.6 The licensable activities and opening times of the premises to members of the public being sought are as follows:

### 4. Consultation

- (a) Served copies of the application to the Responsible Authorities.
  - (b) Advertised the submission of the application in a local newspaper.
  - (c) Placed a notice at the property detailing the application made.
- 4.2 The notices advertising the application were not displayed in accordance with the Licensing Act 2003, therefore the 28 day consultation period was restarted and the last date for representations was extended accordingly.

## **5. Financial implications**

## **6. Legal powers and implications**

- 6.1 The Licensing Authority recognises that its licensing function is only one means of securing the delivery of the service. The Licensing Authority will therefore continue to work in partnership with other stakeholders, such as the Police, Crime & Disorder Partnerships, and the Vehicle Standards Agency (DVSA) towards the promotion of any licensing objectives.
- 6.2 In undertaking this licensing function, the Licensing Authority has regard to the following legislation:
- Licensing Act 2003

## **7. Climate change and environmental implications**

There are no climate change or environmental implications noted in this report.

## **8. Risk management**

- 8.1 Regularly reviewing licensing policies and practices and using a risk-rated approach to both proactive and reactive enforcement reduces the risk to the Authority. Ensuring MoU agreements are in place with external partner agencies will also help strengthen roles and responsibilities surrounding Licensing work.

## **9. Equality implications**

None

## **10. Corporate implications**

- 10.1 If the application is refused or amended the applicant may appeal within 21 days of the notification of the Committee's decision to the Magistrate's Court. **NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

Continued from previous page...

### **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

**Continued from previous page...**

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

**Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9 digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

The Avon and Somerset Constabulary as a responsible Authority oppose the application for a Premise License for Posh Spice - Indian Restaurant located in High Street, Nailsea as they believe the applicant will not promote the Crime and Disorder or Protection of Children from harm Licensing Objectives.

The premise itself was a Licensed Indian Restaurant for many years with a Mr Golap MIAH being the Premises Licence holder.

The Immigration Service made two enforcement visits to the premise on the 24<sup>th</sup> of June 2022 and 18<sup>th</sup> February 2023 and on both occasions illegal workers were discovered and a Civil Penalty was served on the then Premise License holder Mr Golap MIAH.

The Immigration Service then also called a review of the Premise License and following the hearing before this Licensing Committee on the 17<sup>th</sup> of April 2023 the Premise License was revoked.

A new application was then received from a Ashequl Bari NUMAN for a Premises License at this premise. In the application it states that Mr Numan is the new owner of the business and shall have 100% control over the business and make all the decisions.

Following receipt of this application Police Licensing Officer Andrew Manhire arranged a joint visit to the premise in company with Caz HORTON from North Somerset Council Licensing on Thursday 15<sup>th</sup> June to meet the applicant Mr Numan and the police were aware had been working at Posh Spice at the time of the last Immigration enforcement visit.

On arrival they were not only met by Mr Numan but his proposed Designated Premise Supervisor (DPS) Mohammed Iqbel MIAH who Mr Numan introduced as his uncle and business partner which clearly contradicts the statement on the application paperwork, indicating that he was going to be the sole owner.

A discussion took place about Mr Numan's previous involvement at the premise, and he indicated that he had worked there for about 12 months part time.

Mr Miah was asked if had any previous involvement with the business and whether he was related or had any previous connection with Mr

Golap MIAH which he denied. It was then pointed out to him that it appeared he was connected with Golap MIAH from court records which he continued to deny. It was only after it was pointed out to him that both were convicted of Immigration Offences at Bristol Crown Court on the 21<sup>st</sup> of February 2014 (See attached previous convictions printouts) that he stated that there were so many defendants involved in that case and that was the reason he gave the answer he did. (It was noted that despite both persons speaking good English when this was raised, they started communicating in a foreign language). They have also both been resident at the same home address of 2 Banks Close, Clevedon.

Following this meeting it was confirmed by Peter Hardman and Jane Day from North Somerset Council Food Safety Team who have been dealing with the Miah family for many years revealed that Galop Miah and Mohammed Miah far from not knowing each other are actually brothers.

(See attached statement from Peter Hardman and statement 1 and 2 from Jane Day).

Mr Numan was asked when he took over the business and indicated it was roughly the end of May but when pushed was unable or unwilling to give an exact date. He was asked to provide any bank statements etc to show his purchase of the business but stated that no money was involved. He was then asked to provide a copy of the insurance certificate for the business, a copy of the lease and any other legal paperwork to evidence that he was the legal owner of the business as claimed but stated that he had this, but it was not at the business premise at present but would forward these documents to me.

He later provided an insurance certificate for the business which was valid from the day after the meeting held with the Police and Council Licensing Officers and a Lease in his name.

This matter went before a Licensing Committee hearing on the 20<sup>th</sup> of July 2023, but Mr Numan's solicitor withdrew the application at this hearing.

At the end of August 2023, a further Premises License application was received for the premises. This application was largely a copy of the withdrawn application with the exception that the nominated (DPS) had been changed from Mohammed Iqbal MIAH to Ashequl Bari NUMAN.

At just before 6pm on Wednesday 20<sup>th</sup> September 2023 a warrant was carried out on the premise under Immigration legislation by the Immigration service who were accompanied by staff from North Somerset Council Licensing and Food Teams along with Police Licensing Officer Andrew Manhire.

Initially persons attempted to run from the premise via the rear doors but were detained. The premise was due to open at 6pm and there were no customers present, among the persons on the premise at the time were the Premise License applicant Ashequl Bari NUMAN and Mohammed Iqbal MIAH. Checks of the other persons present revealed two persons in breach of Immigration Law who were subsequently arrested.

A closure order was therefore placed on the premises and the following morning the Immigration Service were successful in obtaining a Compliance Order at North Somerset Magistrates Court which allows them to make a visit every month for the next 6 months with a power of entry attached to the order.

Despite being told by Police and Council Licensing Officers at their meeting at the premise on the 15<sup>th</sup> June 2023 that with no Premises licence in place they needed to remove or at least cover all alcohol from view Andrew Manhire and Caz Horton saw there were many bottles of white and rose wine including two part bottles clearly in view in a refrigerator next to the bar along with a bottle of champagne and bottles of Tiger beer. In addition, on the lower shelf at the back of the bar there were many bottles of red wine clearly visible. Further checking of the premise revealed a bucket full of approximately 10 partially full bottles of various spirits still with the optic's attached located in the disabled toilet meaning that any customers including children would have unsupervised access. Mr NUMAN was again advised that all alcohol had to be removed or at least covered from sight.

The food team Inspectors wanted to check the flats above as it was indicated that it was used as a rest area by staff, so they were asked for the keys to access the separate door to this area located at the front to the right of the premise and were informed that the keys were behind the bar. A bunch of keys were then located behind the bar which gave access to the flats which Mr Numan claims was being used as a rest area for staff. This bunch of keys also included a Mercedes car key for a black BMW parked directly outside and it transpired that this bunch of keys belonged to Mohammed Iqbal MIAH, which clearly infers he still has considerable control over the business.

It is worthy of note that the company listed as the food provider at this premises is Maneera and Co Nailsea Ltd and company house records show two directors Ashequl Bari NUMAN and Mohammed Iqbal MIAH. (See statement 3 from Jane DAY).

An appointment was made to see Mr NUMAN at the premises at 1pm on Wednesday 27<sup>th</sup> September 2023 to discuss this application and he was informed by Police Liquor Licensing Officer Andrew Manhire that at this meeting he would like to see all the documentary evidence he had to show that he owned the business.

Due to a family issue Mr NUMAN was unable to make the appointment so Andrew Manhire sent him and his agent email correspondence requesting various documents to assist in proving ownership of the business (See attached copy) and knowing that the Immigration Service were due to visit the premise later that day at just before 6pm he attended the premise in company with Caz HORTON where they saw Mr NUMAN. Despite having a week's notice to gather documents together he was unable or unwilling to provide a single document as requested.

When Mr Numan was questioned about the lease, he stated that he was sub-letting from Golap MIAH but paying the money for the lease direct to the premise owner. He was then asked to show his Bank

account which the money came out of and initially got his mobile in order to do this but then stated he didn't have the card, so could not access his account.

He was then asked about payment to Mr Golap MIAH for the fixture and fittings along with the goodwill built up by such an established business which is normal business practice but again claimed that no payment took place and that Mr Golap MIAH just wanted out and had gifted him the business as he was no longer in the Country. He accepted that the equipment in a professional kitchen, along with all the chairs, tables, individually Posh Spice crested tableware etc would cost 10's of thousands of pounds.

In conclusion the Police strongly believe that the Premises Licence holder Mr Golap MIAH still owns the business, and that Mr NUMAN is merely a front man put forward purely for the purpose of obtaining a Premises Licence.

This Licensing Committee made the decision to revoke the previous Premise License after which a further warrant was carried out at the premises on the 20th of September 2023 - when yet again the premises was found to have persons working in breach of Immigration Law.

This is when Mr NUMAN claimed to be the owner and running the business and the Police feel that they have no option but to ask this Committee to reject this application for the reasons highlighted.

N.B If you do make a representation, you will be expected to attend the Licensing Sub Committee and any subsequent appeal proceeding.

This statement (consisting of SIX pages) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

1 I am Peter Terence Hardman. I am an Environmental Health Officer and Principal  
2 Environmental Health Inspector in the Food, Health Commercial Safety Team, Public  
3 Health & Regulatory Services, of North Somerset Council. I am duly authorised to  
4 carry out food hygiene audits and enforcement in accordance with the Food Safety  
5 Act and Retained Regulation EC No.852/2004.

6 On April 20<sup>th</sup> 2023 I took part in a multi-agency visit to Yatton Tandoori, 65 High  
7 Street, Yatton BS49 4EQ with Immigration and Licencing Officers. The purpose of  
8 the visit was for the Immigration Officers to investigate intelligence received that  
9 employees at the premises did not have the correct rights to work.

10 During the visit I undertook a full food hygiene inspection of the premises whilst  
11 wearing body-worn camera. I concluded the visual inspection of the premises and  
12 discussed my findings with Team Leader Jane Day. During the discussion I was  
13 showing Mrs Day the Food Hygiene training certificates for Mr Shaju Miah when she  
14 said "That's his brother. Golap's brother".

15 I stopped video recording at 20:20 and waited for the Immigration officers to  
16 conclude their work. Whilst waiting, I spoke to a man who appeared to be in control  
17 of the employees and asked his name and whether he was the manager. He

18 responded to inform me that his name was Mohamed Miah but he was not the  
19 manager and that he was only looking after the business that evening because he  
20 usually worked at Posh Spice. I asked if he knew where Mr Shaju Miah was or when  
21 he would return to the premises and was told that he did not know where Mr Miah  
22 was or when he would return.

23 I noted the common surname of Miah and asked Mr Mohamed Miah if he was  
24 related to Mr Shaju Miah. He confirmed that Mr Shaju Miah was his father but he  
25 usually worked at Posh Spice with his uncle Mr Golap Miah.

26 I did not feel any need to challenge the information or request proof of identity  
27 because the verbal statement confirmed the information that Mr Shaju Miah, Mr  
28 Golap Miah and Mr Iqbal Miah are brothers, which has been reiterated for many  
29 years when visiting Posh Spice, Nailsea, Britannia Spice, Backwell, or Yatton

1 I, Jane Catherine Day, hold the post of Food and Commercial Safety Service Leader  
2 and am an authorised inspector of food safety and health and safety in the food and  
3 commercial safety team in the Regulatory Services division of the Public Health and  
4 Regulatory Services Directorate at North Somerset Council. I have held the post as a  
5 qualified food inspector and inspector of health and safety for over 30 years. I hold a  
6 NEBOSH qualification and am also registered with the Environmental Health Officers  
7 Registration Board and am a voting member of the Chartered Institute of  
8 Environmental Health. Prior to becoming the team manager I was a full time  
9 inspecting officer for over 26 years spending all of my career at North Somerset  
10 Council. I therefore have great knowledge of food businesses in North Somerset and  
11 of their ownership. Posh Spice in Nailsea is particularly rememberable to me as  
12 there is a long history of non-compliance, both in terms of food safety and in relation  
13 to immigration offences. Over the years I have dealt with Posh Spice, Nailsea,

14 Yatton Tandoori, Yatton and Britannia Spice, Backwell. I am aware that the  
15 businesses are owned by three brothers known to me as Golap Miah, Iqbal Miah and  
16 Shaju Miah. Over the years the brothers have each made an appearance at each of  
17 the restaurants, regardless of who its registered to, as they step in if their sibling is  
18 not available. This has been common practice over the last 15 or so years. I have  
19 met all three brothers on many occasions. In 2013 I was approached by PC Gemma  
20 Kirby in relation to offences around 'arranged marriages' and I supplied a section 9  
21 statement for the ensuing successful prosecution. In this statement I clearly state my  
22 knowledge that the three gentlemen are brothers. I exhibit this statement at JCD1. I  
23 also exhibit an email from PC Gemma Kirby following the prosecution hearing. The  
24 email is entitled 'the Miah brothers' and gives a summary of the sentences they  
25 received. This clearly infers that Golap Miah, Iqbal Miah and Shaju Miah are  
26 brothers. I exhibit this email as JCD 2. On 31 October 2016 one of my colleagues  
27 who has now left the authority conducted a food hygiene inspection at Posh Spice in  
28 Nailsea. On his inspection notes he states that he interviewed Mr Iqbal Miah (despite  
29 his brother, Golap Miah, being at that time the registered owner) and states that  
30 Golap Miah was the chef along with the other brother Shaju Miah. This illustrates my  
31 point above that the brothers often interchanged with each other and all oversaw the  
32 running of the businesses collectively despite the registered ownership. I exhibit the  
33 inspection report as JCD 3. On 7 March 2019 my colleague Ray Fox undertook  
34 another food hygiene inspection at Posh Spice in Nailsea and despite Mr Golap Miah  
35 being the registered owner he dealt with Mr Shaju Miah. This further illustrates my  
36 point above. I exhibit this inspection report as JCD 4. I am aware that Mr Iqbal Miah

I am the above named person and can be contacted at the address overleaf.

I am employed by North Somerset Council as a Principal Officer of Public Health. I have been involved in this sector since 1991 and have always worked within North Somerset Authority.

My role is to ensure compliance with Food Safety and Health and Safety legislation; namely the Food Safety Act 1990 and Health and Safety at Work etc Act 1974 and regulations made there under. This involves proactive inspections of premises and reactive investigations of complaints. We also play an important role in investigating and preventing the spread of infectious diseases in the community. As a team we offer a Chartered Institute of Environmental Health level 2 course in food hygiene and advise that within three months of starting work the person who handles open high risk food is suitably trained and/or supervised in food hygiene matters.

All food businesses must be registered with North Somerset Council 28 days before they start trading. To do this, the Food Business Operator must submit a form entitled "Registration of a Food Business Establishment." The Food Business Operator is the individual or company who has control of the day to day management of the business. If we were to serve notice or prosecute a business for failing to comply with the legislation we enforce, the Food Business Operator is the person liable for this. Company Secretary who is liable. If the ownership or management of the business changes hands then a new form must be completed to inform us of this.

Regulation 14 of The Food Hygiene (England) Regulations 2006 provides a right of entry to premises in order to carry out compliance inspections. It is an offence to obstruct an officer working within this power. The frequency with which we make unannounced inspections of business premises is very much dependent on how they performed at the previous inspection and if any actions for improvement were set. We take a staged approach to enforcement, with the aim of assisting businesses to comply with the legislation by giving them a defined period of time to improve and meet the required legal standard. However, this depends on the issues encountered upon inspection; for example if I discovered a rodent infestation I would order the immediate closure of the premises, or if a hand wash basin was inaccessible or not fitted I would write a formal letter to the Food Business Operator and/or manager giving them a set time period to rectify this.

Following an inspection the business will be risk assessed to determine when the next inspection should occur. If a business is compliant and rated highly then it might be another 18-24 months before another inspection takes place. The Food Standards Agency has devised a Food Hygiene Rating scheme that gives a business a rating of 1 to 5, 5 being very good, depending on their performance in an inspection.

Records are compiled by officers who had personal knowledge of the matters dealt with in the course of their duties. The details included in this statement have been drawn from systems that I have access to and that hold these records. Some of the records will have been made by me, others by my team colleagues.

It is whilst carrying out my role as Principal Officer of Public Health that I have come to know Mr Golap MIAH, Mr Iqbal MIAH and Mr Shaju MIAH, three brothers of Asian decent who between them are, or have been, responsible for the following Indian restaurants/takeaways; YATTON TANDOORI, POSH SPICE, BRITANNIA SPICE and PAPRIKA.

I have completed a search of computer and paper based records for the above businesses and, as a result, have been able to provide the following to PC 1287 KIRBY as a result of her Data Protection Act request.

On 1<sup>st</sup> July 2002 Golap MIAH completed an application form to register a food business. He listed himself as the proprietor of YATTON TANDOORI, 65 HIGH STREET, YATTON, BA49 4EQ and the manager as Mizan ALI. On 5<sup>th</sup> April 2004 he submitted a further form to amend the manager to Golap MIAH. However, the form Golap MIAH had submitted didn't reflect the conversation he had had during an inspection on 2<sup>nd</sup> March 2004 where he indicated to the attending officer that the business was owned by a limited company. As a result a letter dated 4<sup>th</sup> August 2004 was sent to Golap MIAH asking him to complete another registration form.

On 8<sup>th</sup> August 2004 Golap MIAH completed this registration form but provided himself as the proprietor and Iqbal MIAH as the manager. On 17<sup>th</sup> November 2011 Shaju MIAH submitted an application form stating that he was now the manager and the proprietor of the business was "MR SHAHIDA NESSA GOLAP MIAH".

The most recent registration form, completed on 16<sup>th</sup> October 2012, lists Shaju MIAH of 20 BANKS CLOSE, CLEVEDON, BS21 5DF, as being the food business operator at YATTON TANDOORI, trading as S.M. YATTON LTD (Company No 6759195). There is no separate manager listed. I have provided PC KIRBY with copies of the above mentioned documents relating to YATTON TANDOORI. They have been exhibited as 1287JD/1.

Having accessed records relating to POSH SPICE, 86-88 HIGH STREET, NAILSEA, BS48 1AS, I can say that on 22<sup>nd</sup> May 2002 Mr Shaju MIAH was listed as the Food Business Operator. The record was raised following contact made with Shaju MIAH to arrange an appointment to visit before the premises opening. Golap MIAH was recorded as an alternative contact. I have provided records showing Shaju MIAH's involvement in this business in 2002 and 2003 as requested by PC KIRBY. The present Food Business Operator is Golap MIAH, trading as G.M. NAILSEA, and has been since 5<sup>th</sup> May 2005. The documents I have provided to PC KIRBY have been exhibited as 1287JD/2.

The Authority received a registration form for BRITANNIA SPICE, 2-4 DARK LANE, BACKWELL, BS48 3NP, signed by S.MIAH and dated 30<sup>th</sup> October 2009. The form indicated that the Food Business Operator was Iqbal MIAH, the manager was "Saju" MIAH and the intention was to open the business on 25<sup>th</sup> August 2009. A further application form dated 1<sup>st</sup> August 2011 detailed the Food Business Operator as Mr Shaju MIAH of 3 BANKS CLOSE, CLEVEDON, BS21 5DF. There is no separate manager listed. I have provided these documents to PC KIRBY as 1287JD/3.

I have completed numerous inspections over the years at all three of the above restaurants and have therefore met and spoken to Golap, Iqbal and Shaju MIAH in person. For some time these restaurants were performing poorly so visits by my team were fairly frequent. However, there was a sudden turnaround and the businesses now all have a Food Hygiene Rating of 5. Consequently our visits have become less frequent.

Anyone who handles food requires an appropriate certificate in food safety. Although I am a certified Level 2 trainer and assessor, as are my colleagues, workers from these restaurants speak very little English and tend to go to Bengali speaking courses in Easton, Bristol.

Therefore, I have not been directly involved in the training of any of the MIAH brothers or their employees. This language barrier also presents a problem when we conduct inspections as it is invariably one of the MIAH brothers that will act as an interpreter and they clearly know the answers to the questions we pose.

I can recall a time when, during two separate visits to POSH SPICE, two different individuals tried to present themselves as being the holder of the same certificate. Due to this we went through a phase of taking photos of each individual employee whilst they were holding their own food safety certificate. It appeared to me that the employees were trying to use one another's identities, possible in an attempt to avoid action being taking by my department.

I have never encountered a female employee, whether a waitress, chef, or cleaning staff, at any of the three businesses above. Our inspections can be carried at any time, although as we like to see the restaurants in operation with food preparation and service taking place, they tend to take place during opening hours.

There is a fourth restaurant linked to the MIAH brothers but I have had less personal involvement with inspections at this business. We became aware that PAPRIKA, 2 BROAD STREET, CONGRESBURY, BS49 5DG, was being operated by Mr Iqbal MIAH on 1 September 2012. Mr Iqbal MIAH informed my colleague Mr Peter HARDMAN of this when he conducted a routine unannounced inspection of the business. The most recent visit to this business was conducted by my colleague Peter HARDMAN at 1645 hours on 26<sup>th</sup> March 2013. The records he made as a result of this visit are accessible to me. From MR HARDMAN's records it appears the main food handler was Iqbal MIAH but it was not clear who was the Food Business Operator or manager. It appears that my colleague was informed that Mr Jan KOVAC was now the operator/proprietor of the business. Following this visit Mr

HARDMAN wrote a letter dated 2<sup>nd</sup> April 2013 to Mr KOVAC at PAPRIKA asking him to complete the food premises registration form so that he could then obtain the 5 rating sticker and certificate to display in the restaurant. A food registration form was subsequently received for this business indicating that Mr Jan KOVAC became the food business operator on 27 March 2013. Mr HARDMAN would be able to provide more detail about this particular visit if required. I have supplied documents relating to PAPRIKA to PC KIRBY as 1287JD/4.

Hello

Golap and Iqbal MIAH appeared at Bristol Crown Court on Friday 21<sup>st</sup> February for sentencing. The fact that they are both personal licence holders was highlighted by the prosecution barrister but this wasn't mentioned further by the judge during sentencing.

Golap received an 18 month custodial sentence and Iqbal 16 months. The maximum sentence for this offence is 2 years and the judge took 25% off due to their guilty pleas, so overall it wasn't a bad result.

As I informed you previously, Shaju MIAH's case was discontinued and therefore it would appear that he will have to manage the businesses. He is not a personal licence holder to my current knowledge.

Thank you again for your assistance in this case.

The Police has a Responsible Authority oppose the application for a Premise License for Posh Spice as they believe the applicant will not promote the Crime and Disorder Licensing Objective.  
The premise itself was a Licensed Indian Restaurant for many years with a Mr Golap MIAH holding the license but following two enforcement visits to the premise on the 24<sup>th</sup> June 2022 and 18<sup>th</sup> February 2023 by the Immigration service when on both occasions illegal workers were discovered a Civil Penalty was served on the then Premise License Holder Mr Golap MIAH.

The Immigration Service then also called a review of the Premise License and following the hearing before this Licensing Committee on the 17<sup>th</sup> April 2023 the Premise License was Revoked.

A new application was received in June 2023 from a Ashequl Bari NUMAN for a Premise License at this premise. In the application it states that Mr Numan is the new owner of the business and shall have 100% control over the business and take all the decisions. Following receipt of this application Police Licensing Officer Andrew Manhire arranged a joint visit to the premise in company with Caz HORTON from North Somerset Council Licensing on Thursday 15<sup>th</sup> June to meet the applicant Mr Numan who police were aware had been working at Posh Spice at the time of the last Immigration Enforcement Visit.

On arrival they were not only met by Mr Numan but his proposed Designated Premise Supervisor Mohammed Iqbel MIAH who Mr Numan introduced as his uncle and business partner which clearly contradicts the statement on the application paperwork indicating that he was going to be the sole owner.

A discussion took place about Mr Numan's previous involvement at the premise and he indicated that he had worked there for about 12 months part time.

Mr Miah was asked if had any previous involvement with the business and whether he was related or had any previous connection with Mr Golap MIAH which he denied. It was then pointed out to him that it appeared he was connected with Golap MIAH from court records which he continued to deny. It was only after it was pointed out to him that both of them were convicted of Immigration Offences at Bristol Crown Court on the 21<sup>st</sup> February 2014 that he stated that there were so many defendants involved in that case and that was the reason he

gave the answer he did. (It was noted that despite both persons speaking good English when this was raised they started communicating in a foreign language). They have also both been resident at the same home address of 2 Banks Close, Clevedon.

Following this meeting it was confirmed by Peter HARDMAN and Jane DAY from North Somerset Council that far from not knowing each other Golap MIAH and Mohamed Iqbal MIAH were actually brothers (See attached statement from Peter HARDMAN and statement 1 and 2 from Jane DAY).

Mr Numan was asked when he took over the business and indicated it was roughly the end of May but when pushed was unable or unwilling to give an exact date. He was asked to provide any bank statements etc to show his purchase of the business but stated that no money was involved! He was then asked to provide a copy of the insurance certificate for the business, a copy of the lease and any other legal paperwork to evidence that he was the legal owner of the business as claimed but stated that he had this but it was not at the business premise at present but would forward these documents to me.

He later provided an insurance certificate for the business which was valid from the day after the meeting held with the Police and Council Licensing Officers and a Lease in his name.

This matter went before a Licensing Committee hearing on the 20<sup>th</sup> July 2023 but Mr Numan's solicitor withdraw the application at this hearing.

At the end of August 2023 a further Premise License application was received for the premise. This application was largely a copy of the withdrawn application with the exception that the nominated Designated Premise Supervisor had been changed from Mohammed Iqbal MIAH to Ashequl Bari NUMAN.

At just before 6pm on Wednesday 20<sup>th</sup> September 2023 a warrant was carried out on the premise under Immigration legislation by the Immigration service who were accompanied by staff from North Somerset Council Licensing and Food Teams along with Police Licensing Officer Andrew Manhir

Initially persons attempted to run from the premise via the rear doors but were detained. The premise was due to open at 6pm and there were no customers present, among the persons on the premise at the time were the Premise License applicant Ashequl Bari NUMAN and Mohammed Iqbal MIAH. Checks of the other persons present revealed two persons in breach of Immigration Law who were subsequently arrested. A closure order was therefore placed on the premises and the following morning the Immigration Service were successful in obtaining a Compliance Order at North Somerset Magistrates Court which allows them to make a visit every month for the next 6 months with a power of entry attached to the order.

Despite being told by Police and Council Licensing Officers at their meeting at the premise on the 15<sup>th</sup> June 2023 that with no license in place they needed to remove or at least cover all alcohol from view Andrew Manhire and Caz Horton saw there were many bottles of

white and rose wine including two part bottles clearly in view in a refrigerator next to the bar along with a bottle of champagne and bottles of Tiger beer. In addition on the lower shelf at the back of the bar there were many bottles of red wine clearly visible. Further checking of the premise revealed a bucket full with approx. 10 partially full bottles of various spirits still with the optic's attached located in the disabled toilet meaning that any customers including children would have unsupervised access. Mr NUMAN was again advised that all alcohol had to be removed or at least covered from sight.

The food team Inspectors wanted to check the flats above as it was indicated that it was used as a rest area by staff so they were asked for the keys to access the separate door to this area located at the front to the right of the premise and were informed that the keys were behind the bar. A bunch of keys were then located behind the bar which gave access to the flats which Mr Numan claims was being used as a rest area for staff. This bunch of keys also included a car key for a black Mercedes which belongs to Mohammed Iqbal MIAH, which clearly infers he still have considerable control over the business.

It is worthy of note that the company listed as the food operator at this premise is Maneera and Co Nailsea Ltd and company house records show two directors Ashequl Bari NUMAN and Mohammed Iqbal MIAH. (See statement of Jane DAY).

An appointment was made to see Mr NUMAN at the premise at 1pm on Wednesday 27<sup>th</sup> September 2023 to discuss this application and he was informed by Police Liquor Licensing Officer Andrew Manhire that at this meeting he would like to see all the documentary evidence he had to show that he owned the business.

Due to a family issue Mr NUMAN was unable to make the appointment so Andrew Manhire sent him and his agent a "e" male requesting various documents to assist in proving ownership of the business (See attached copy) and knowing that the Immigration Service were due to visit the premise later that day at just before 6pm he attended the Premise in company with Caz HORTON where they saw Mr NUMAN. Despite having a week's notice to gather documents together he was unable or unwilling to provide a single document requested.

When questioned about the lease he stated that he was sub-letting from Golap MIAH but paying the money for the lease direct to the premise owner. He was then asked to show his Bank account which the money came out of and initially got his mobile in order to do this but then stated he didn't have the card so could not access his account!

He was then asked about payment to Mr Golap MIAH for the fixture and fittings along with the goodwill built up by such an established business which is normal business practice but again claimed that no payment took place and that Mr Golap MIAH just wanted out and had gifted him the business as he was no longer in the Country. He accepted that the equipment in a professional kitchen, along with all the chairs, tables, individually Posh Spice crested tableware etc would cost 10,s of thousands of pounds!

	<p>In conclusion the Police strongly believes that the previous Premise License Holder Mr Golap MIAH still owns the business and that Mr Numan is merely a front man put forward purely for the purpose of obtaining a Premise Liquor License following this Licensing Committee decision to revoke the previous Premise License, in addition to which following the warrant carried out at the premise on the 20th September 2023 when yet again the premise were found to have persons working in breach of Immigration Law this being when Mr NUMAN is running the business and claiming to be the owner and therefore the Police feel that they have no option but to ask this Committee to reject this application.</p>

This statement (consisting of SIX pages) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

1 I am Peter Terence Hardman. I am an Environmental Health Officer and Principal

6 On April 20<sup>th</sup> 2023 I took part in a multi-agency visit to Yatton Tandoori, 65 High  
7 Street, Yatton BS49 4EQ with Immigration and Licencing Officers. The purpose of  
8 the visit was for the Immigration Officers to investigate intelligence received that  
9 employees at the premises did not have the correct rights to work.

10 During the visit I undertook a full food hygiene inspection of the premises whilst  
11 wearing body-worn camera. I concluded the visual inspection of the premises and  
12 discussed my findings with Team Leader Jane Day. During the discussion I was  
13 showing Mrs Day the Food Hygiene training certificates for Mr Shaju Miah when she  
14 said "That's his brother. Golap's brother".

15 I stopped video recording at 20:20 and waited for the Immigration officers to  
16 conclude their work. Whilst waiting, I spoke to a man who appeared to be in control  
17 of the employees and asked his name and whether he was the manager. He

18 responded to inform me that his name was Mohamed Miah but he was not the  
19 manager and that he was only looking after the business that evening because he  
20 usually worked at Posh Spice. I asked if he knew where Mr Shaju Miah was or when  
21 he would return to the premises and was told that he did not know where Mr Miah  
22 was or when he would return.

23 I noted the common surname of Miah and asked Mr Mohamed Miah if he was  
24 related to Mr Shaju Miah. He confirmed that Mr Shaju Miah was his father but he  
25 usually worked at Posh Spice with his uncle Mr Golap Miah.

26 I did not feel any need to challenge the information or request proof of identity  
27 because the verbal statement confirmed the information that Mr Shaju Miah, Mr  
28 Golap Miah and Mr Iqbal Miah are brothers, which has been reiterated for many  
29 years when visiting Posh Spice, Nailsea, Britannia Spice, Backwell, or Yatton  
30 Tandoori, Yatton.

This statement (consisting of 2 pages) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

1 I, Jane Catherine Day, hold the post of Food and Commercial Safety Service Leader  
2 and am an authorised inspector of food safety and health and safety in the food and  
3 commercial safety team in the Regulatory Services division of the Public Health and  
4 Regulatory Services Directorate at North Somerset Council. I have held the post as a  
5 qualified food inspector and inspector of health and safety for over 30 years. I hold a  
6 NEBOSH qualification and am also registered with the Environmental Health Officers  
7 Registration Board and am a voting member of the Chartered Institute of  
8 Environmental Health. Prior to becoming the team manager I was a full time  
9 inspecting officer for over 26 years spending all of my career at North Somerset  
10 Council. I therefore have great knowledge of food businesses in North Somerset and  
11 of their ownership. Posh Spice in Nailsea is particularly rememberable to me as  
12 there is a long history of non-compliance, both in terms of food safety and in relation  
13 to immigration offences. Over the years I have dealt with Posh Spice, Nailsea,

14 Yatton Tandoori, Yatton and Britannia Spice, Backwell. I am aware that the  
15 businesses are owned by three brothers known to me as Golap Miah, Iqbal Miah and  
16 Shaju Miah. Over the years the brothers have each made an appearance at each of  
17 the restaurants, regardless of who its registered to, as they step in if their sibling is  
18 not available. This has been common practice over the last 15 or so years. I have  
19 met all three brothers on many occasions. In 2013 I was approached by PC Gemma  
20 Kirby in relation to offences around 'arranged marriages' and I supplied a section 9  
21 statement for the ensuing successful prosecution. In this statement I clearly state my  
22 knowledge that the three gentlemen are brothers. I exhibit this statement at JCD1. I  
23 also exhibit an email from PC Gemma Kirby following the prosecution hearing. The  
24 email is entitled 'the Miah brothers' and gives a summary of the sentences they  
25 received. This clearly infers that Golap Miah, Iqbal Miah and Shaju Miah are  
26 brothers. I exhibit this email as JCD 2. On 31 October 2016 one of my colleagues  
27 who has now left the authority conducted a food hygiene inspection at Posh Spice in  
28 Nailsea. On his inspection notes he states that he interviewed Mr Iqbal Miah (despite  
29 his brother, Golap Miah, being at that time the registered owner) and states that  
30 Golap Miah was the chef along with the other brother Shaju Miah. This illustrates my  
31 point above that the brothers often interchanged with each other and all oversaw the  
32 running of the businesses collectively despite the registered ownership. I exhibit the  
33 inspection report as JCD 3. On 7 March 2019 my colleague Ray Fox undertook  
34 another food hygiene inspection at Posh Spice in Nailsea and despite Mr Golap Miah  
35 being the registered owner he dealt with Mr Shaju Miah. This further illustrates my  
36 point above. I exhibit this inspection report as JCD 4. I am aware that Mr Iqbal Miah

I am the above named person and can be contacted at the address overleaf.

I am employed by North Somerset Council as a Principal Officer of Public Health. I have been involved in this sector since 1991 and have always worked within North Somerset Authority. My role is to ensure compliance with Food Safety and Health and Safety legislation; namely the Food Safety Act 1990 and Health and Safety at Work etc Act 1974 and regulations made there under. This involves proactive inspections of premises and reactive investigations of complaints. We also play an important role in investigating and preventing the spread of infectious diseases in the community. As a team we offer a Chartered Institute of Environmental Health level 2 course in food hygiene and advise that within three months of starting work the person who handles open high risk food is suitably trained and/or supervised in food hygiene matters.

All food businesses must be registered with North Somerset Council 28 days before they start trading. To do this, the Food Business Operator must submit a form entitled "Registration of a Food Business Establishment." The Food Business Operator is the individual or company who has control of the day to day management of the business. If we were to serve notice or prosecute a business for failing to comply with the legislation we enforce, the Food Business Operator is the person liable for this. If the operator is a Limited Company then it is the

Company Secretary who is liable. If the ownership or management of the business changes hands then a new form must be completed to inform us of this.

Regulation 14 of The Food Hygiene (England) Regulations 2006 provides a right of entry to premises in order to carry out compliance inspections. It is an offence to obstruct an officer working within this power. The frequency with which we make unannounced inspections of business premises is very much dependent on how they performed at the previous inspection and if any actions for improvement were set. We take a staged approach to enforcement, with the aim of assisting businesses to comply with the legislation by giving them a defined period of time to improve and meet the required legal standard. However, this depends on the issues encountered upon inspection; for example if I discovered a rodent infestation I would order the immediate closure of the premises, or if a hand wash basin was inaccessible or not fitted I would write a formal letter to the Food Business Operator and/or manager giving them a set time period to rectify this.

Following an inspection the business will be risk assessed to determine when the next inspection should occur. If a business is compliant and rated highly then it might be another 18-24 months before another inspection takes place. The Food Standards Agency has devised a Food Hygiene Rating scheme that gives a business a rating of 1 to 5, 5 being very good, depending on their performance in an inspection.

Records are compiled by officers who had personal knowledge of the matters dealt with in the course of their duties. The details included in this statement have been drawn from systems that I have access to and that hold these records. Some of the records will have been made by me, others by my team colleagues.

It is whilst carrying out my role as Principal Officer of Public Health that I have come to know Mr Golap MIAH, Mr Iqbal MIAH and Mr Shaju MIAH, three brothers of Asian decent who between them are, or have been, responsible for the following Indian restaurants/takeaways; YATTON TANDOORI, POSH SPICE, BRITANNIA SPICE and PAPRIKA.

I have completed a search of computer and paper based records for the above businesses and, as a result, have been able to provide the following to PC 1287 KIRBY as a result of her Data Protection Act request.

On 1<sup>st</sup> July 2002 Golap MIAH completed an application form to register a food business. He listed himself as the proprietor of YATTON TANDOORI, 65 HIGH STREET, YATTON, BA49 4EQ and the manager as Mizan ALI. On 5<sup>th</sup> April 2004 he submitted a further form to amend the manager to Golap MIAH. However, the form Golap MIAH had submitted didn't reflect the conversation he had had during an inspection on 2<sup>nd</sup> March 2004 where he indicated to the attending officer that the business was owned by a limited company. As a result a letter dated 4<sup>th</sup> August 2004 was sent to Golap MIAH asking him to complete another registration form.

On 8<sup>th</sup> August 2004 Golap MIAH completed this registration form but provided himself as the proprietor and Iqbal MIAH as the manager. On 17<sup>th</sup> November 2011 Shaju MIAH submitted an application form stating that he was now the manager and the proprietor of the business was "MR SHAHIDA NESSA GOLAP MIAH".

The most recent registration form, completed on 16<sup>th</sup> October 2012, lists Shaju MIAH of 20 BANKS CLOSE, CLEVEDON, BS21 5DF, as being the food business operator at YATTON TANDOORI, trading as S.M. YATTON LTD (Company No 6759195). There is no separate manager listed. I have provided PC KIRBY with copies of the above mentioned documents relating to YATTON TANDOORI. They have been exhibited as 1287JD/1.

Continuation of Statement of Jane DAY

Having accessed records relating to POSH SPICE, 86-88 HIGH STREET, NAILSEA, BS48 1AS, I can say that on 22<sup>nd</sup> May 2002 Mr Shaju MIAH was listed as the Food Business Operator. The record was raised following contact made with Shaju MIAH to arrange an appointment to visit before the premises opening. Golap MIAH was recorded as an alternative contact. I have provided records showing Shaju MIAH's involvement in this business in 2002 and 2003 as requested by PC KIRBY. The present Food Business Operator is Golap MIAH, trading as G.M. NAILSEA, and has been since 5<sup>th</sup> May 2005. The documents I have provided to PC KIRBY have been exhibited as 1287JD/2.

The Authority received a registration form for BRITANNIA SPICE, 2-4 DARK LANE, BACKWELL, BS48 3NP, signed by S.MIAH and dated 30<sup>th</sup> October 2009. The form indicated that the Food Business Operator was Iqbal MIAH, the manager was "Saju" MIAH and the intention was to open the business on 25<sup>th</sup> August 2009. A further application form dated 1<sup>st</sup> August 2011 detailed the Food Business Operator as Mr Shaju MIAH of 3 BANKS CLOSE, CLEVEDON, BS21 5DF. There is no separate manager listed. I have provided these documents to PC KIRBY as 1287JD/3.

I have completed numerous inspections over the years at all three of the above restaurants and have therefore met and spoken to Golap, Iqbal and Shaju MIAH in person. For some time these restaurants were performing poorly so visits by my team were fairly frequent. However, there was a sudden turnaround and the businesses now all have a Food Hygiene Rating of 5. Consequently our visits have become less frequent.

Anyone who handles food requires an appropriate certificate in food safety. Although I am a certified Level 2 trainer and assessor, as are my colleagues, workers from these restaurants speak very little English and tend to go to Bengali speaking courses in Easton, Bristol.

Therefore, I have not been directly involved in the training of any of the MIAH brothers or their employees. This language barrier also presents a problem when we conduct inspections as it is invariably one of the MIAH brothers that will act as an interpreter and they clearly know the answers to the questions we pose.

I can recall a time when, during two separate visits to POSH SPICE, two different individuals tried to present themselves as being the holder of the same certificate. Due to this we went through a phase of taking photos of each individual employee whilst they were holding their own food safety certificate. It appeared to me that the employees were trying to use one another's identities, possible in an attempt to avoid action being taking by my department.

I have never encountered a female employee, whether a waitress, chef, or cleaning staff, at any of the three businesses above. Our inspections can be carried at any time, although as we like to see the restaurants in operation with food preparation and service taking place, they tend to take place during opening hours.

There is a fourth restaurant linked to the MIAH brothers but I have had less personal involvement with inspections at this business. We became aware that PAPRIKA, 2 BROAD STREET, CONGRESBURY, BS49 5DG, was being operated by Mr Iqbal MIAH on 1 September 2012. Mr Iqbal MIAH informed my colleague Mr Peter HARDMAN of this when he conducted a routine unannounced inspection of the business. The most recent visit to this business was conducted by my colleague Peter HARDMAN at 1645 hours on 26<sup>th</sup> March 2013. The records he made as a result of this visit are accessible to me. From MR HARDMAN's records it appears the main food handler was Iqbal MIAH but it was not clear who was the Food Business Operator or manager. It appears that my colleague was informed that Mr Jan KOVAC was now the operator/proprietor of the business. Following this visit Mr

**HARDMAN** wrote a letter dated 2<sup>nd</sup> April 2013 to Mr **KOVAC** at **PAPRIKA** asking him to complete the food premises registration form so that he could then obtain the 5 rating sticker and certificate to display in the restaurant. A food registration form was subsequently received for this business indicating that Mr Jan **KOVAC** became the food business operator on 27 March 2013. **Mr HARDMAN** would be able to provide more detail about this particular visit if required. I have supplied documents relating to **PAPRIKA** to **PC KIRBY** as 1287JD/4.

Mr Kapoor,

I had a meeting booked with your client this afternoon but due to a family emergency he as had to cancel. I have always had concerns around the ownership of the business and last weeks joint visit as done nothing to lessen this, so to demonstrate his ownership I am looking for copies of any documents to show who currently owns the business such as,

1. Business rate bill,
2. Proof of purchase for the fixture and fittings along with the good will of established business.
3. Water Bill.
4. Gas/Electricity Bill
5. Copy of Bank Statement showing payment of above and staff wages.
6. Any legal paperwork from solicitor showing purchase of business.
7. Any other paperwork he can produce to show his ownership.

Clearly time is short and unless I receive satisfactory proof by the end of play on Thursday I will be left with no option but to submit Police representations in relation to this application.

Statement of Jane Day

Age of Witness (if over 18 enter 'over 18') Over 18

This statement (consisting of 2 pages) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

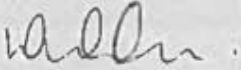

1 I, Jane Catherine Day, hold the post of Food and Commercial Safety Service Leader  
2 and am an authorised inspector of food safety and health and safety in the food and  
3 commercial safety team in the Regulatory Services division of the Public Health and  
4 Regulatory Services Directorate at North Somerset Council. I have held the post as a  
5 qualified food inspector and inspector of health and safety for over 30 years. I hold a  
6 NEBOSH qualification and am also registered with the Environmental Health Officers  
7 Registration Board and am a voting member of the Chartered Institute of  
8 Environmental Health. Prior to becoming the team manager I was a full time  
9 inspecting officer for over 26 years spending all of my career at North Somerset  
10 Council. I therefore have great knowledge of food businesses in North Somerset and  
11 of their ownership. On Wednesday 20<sup>th</sup> September 2023 I visited Posh Spice, 86  
12 High Street, Nailsea with immigration and licensing colleagues. The business is

14 was received on 16 June 2023. The food registration indicates that the business is  
15 operated by a company called Nameera and Co (Nailsea) Ltd. Companies house  
16 records show that this business was incorporated on 2 June 2023. Company house  
17 records also confirm two directors of the company, Mohammed Iqbal Miah and  
18 Ashequi Bari Numan. Both Mr Miah and Mr Numan were present when I visited Posh  
19 Spice and sat together at one of the restaurant tables. I have met both gentleman  
20 before on numerous occasions. Mr Iqbal Miah is the brother of Golap and Shaju  
21 Miah. During the course of the visit it was indicated to me that the accommodation  
22 above the restaurant is used for staff resting. I asked to see this accommodation  
23 which is accessed via a separate door to the right of the restaurant main door. We  
24 were told that the keys were located behind the bar. The key to the flat  
25 accommodation was on the same set of keys belonging to a black Mercedes car. Mr  
26 Iqbal Miah confirmed that the car and the keys were his. This infers that Mr Iqbal  
27 Miah still has considerable control over the business. On viewing the  
28 accommodation I noted a set of stairs directly in front which led to 4 rooms. Access to  
29 3 of these rooms was possible and in total 6 beds and paraphenlia akin to living  
30 accommodation was seen.

Dear Sir/Madam

**Re. Application Reference NSC/063184 - Posh Spice Grant of Premises Licence**

I am writing on behalf of Nailsea Town Council. At a meeting of the Council's Planning Committee held on 27 September 2023, the committee considered the request for the supply of alcohol and the provision of a late-night refreshment licence for Posh Spice, 86 High Street, Nailsea.

The committee have significant concerns that following recent raids by Immigration Officials, that the owners of the premises are unsuitable to hold a licence for the activities listed, as they continue to flout the UK Immigration law and employ individuals who have no right to work in the UK.

Yours sincerely,

Jo Duffy  
Nailsea Town Clerk
