INTRODUCTION AND GENERAL PRINCIPLES

The Licensing Authority Area

North Somerset Council (the Council) is a Unitary Authority in Somerset covering approximately 145 square miles with a population of almost 217,000.

The Council area is a mixed urban and rural district with a dispersed population. The main urban areas are Weston-super-Mare, Clevedon, Nailsea and Portishead.

The area adjoins the conurbation of Bristol and includes a major dock at Portbury, an International Airport at Lulsgate and the seaside resorts of Weston-super-Mare and Clevedon. The area has good transportation links that include the M5 motorway and main line railway routes and stations.

Background

North Somerset Council has adopted schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 (as amended by section 27 of the Policing and Crime Act 2009) so that it can licence sex shops, sex cinemas, and sexual entertainment venues in the district. In this policy, these types of premises are referred to as “sex establishments” unless it is said otherwise.

This policy comes into force on **1 January 2024** and will be kept under constant review.

The Council recognises that Parliament made it lawful to operate sex establishments, and that such businesses are a legitimate part of the retail and leisure industry. It does not take a moral stand in adopting this policy. It is North Somerset Council’s role as the licensing authority to administer the licensing regime in accordance with the law.

The 1982 Act and 2009 Act can be viewed at www.legislation.gov.uk

In developing this policy, North Somerset Council considered the legal requirements of the 1982 Act and its duties under:

- a) section 17 of the Crime and Disorder Act 1998 - to take all reasonable steps to reduce crime and disorder within North Somerset.
- b) the Regulators’ Compliance Code (set out under the Legislative and Regulatory Reform Act 2006) - obligations not to impede economic progress by the regulations North Somerset Council set out and to particularly consider the impact of regulations on small businesses; and
- c) the Provision of Services Regulations 2009 to ensure requirements are: i) non-discriminatory ii) justified by an overriding reason relating to the public interest iii) proportionate to that public interest objective iv) clear and unambiguous v) objective vi) made public in advance, and vii) transparent and accessible.

This Policy sets out the principles North Somerset Council will generally apply when making decisions on applications. It also sets out information about the application process, what is expected of applicants and how people can make objections about applications. It also sets out the types of controls that are available to the councils, when decisions are made about licence applications and explains what action can be taken if complaints are received.

This document relates to applications in respect of:

- Sex cinemas
- Sex shops
- Sexual entertainment venues

The advice and guidance contained in the appendices attached to this policy is intended only to assist readers in understanding the policy and should not be interpreted as legal advice or as constituent of North Somerset Council statement of Sex Establishment Licensing Policy.

Readers are strongly advised to seek their own legal advice if they are unsure of the requirements of the Local Government (Miscellaneous Provisions) Act 1982 or Schedules under the Act.

1. Policy overview and objectives

- 1.1 North Somerset Council implemented this policy to set out clear and concise guidance, procedures, and principles for the benefit of the Licensing Authority, the community, applicants and other relevant organisations.
- 1.2 The policy also contains standard conditions which will be applied to all the different types of sex establishments and will form part of any licence granted.
- 1.3 A copy of this policy will be available on the council's website. In addition, all responsible authorities under the licensing act 2003 will be provided with a copy of this policy document.
- 1.4 The Council will keep this Policy under constant review and make such revisions to it as it considers appropriate. Where revisions are made, the Council will fully consult on any proposed amendments prior to re-adoption by the Council.
- 1.5 The policy will guide the Council when determining applications made in connection with sex establishments. It will assist it in achieving the purpose of the legislation in a manner that is consistent with case law that has developed since the regime was first enacted.
- 1.6 Not all premises will automatically require a licence, but this policy applies to every type of sex establishment (as defined in the Act) unless an exemption applies. Reference should be made to the legislation itself for a full understanding of what might fall within the definition and when exemptions

may apply, but in summary the types of sex establishments have been detailed in **Appendix A**.

- 1.7 Notwithstanding matters contained within this policy, consideration will be given to the provisions of the Human Rights Act 1998 when considering applications for sex establishment licences.
- 1.8 It is recognised that Sexual Entertainment Venues are also regulated by other legislation due to the nature of those operations, and therefore may require multiple inspections by different agencies. Wherever possible consolidated enforcement inspections will be undertaken to reduce the burdens on businesses.
- 1.9 North Somerset Council recognises the interests of both residents and businesses and will work closely, with partners, to assist licence holders to comply with the law and the conditions attached to the licence.
- 1.10 Proportionate but firm action will be taken against those who commit serious offences or consistently break the law or breach conditions of the licence
- 1.11 Breach of conditions or legislative requirements may result in formal action being taken by the Licensing Authority. Our approach to enforcement is set out in our enforcement policy which is available on request or can be viewed on the Council's website at: www.n-somerset.gov.uk
- 1.12 The Licensing authority maintains close links with the police and other partners to ensure effective and efficient information sharing procedures and protocols are in place and are being used to fulfil its statutory objective of reducing crime in the area.
- 1.13 Details of applications and objections which are referred to a Licensing Sub-Committee for determination will be published in reports that will be made publicly available in accordance with the Local Government Act 1972 and the Freedom of Information Act 2000.
- 1.14 In accordance with the Local Government (Miscellaneous Provisions) Act 1982 the names and address of objectors will not be disclosed to applicants or published in public reports unless permission is given to do so. Such details will be made available to Councillors on the Licensing Committee.

2. SEX ESTABLISHMENT LICENCES

- 2.1. Licences for sex shops are required where R18 films or where there is a "significant degree" of "sex articles" being sold.
- 2.2 The phrase "sex articles" is defined in the 1982 Act, but the phrase "a significant degree" is not. When considering whether a business is selling a significant degree of sex articles and needs a licence, the following will be taken into consideration:

- (i) the ratio of sex articles to other aspects of the business
- (ii) the absolute quantity of sales
- (iii) the character of the remainder of the business
- (iv) the nature of the displays in the business
- (v) turnover
- (vi) other factors which appear to be materially relevant.

2.3. Licences for sexual entertainment venues are required for “any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer”. The definition of “relevant entertainment” is shown at **Appendix A**.

2.4 In deciding whether entertainment is “relevant entertainment” each case will be judged on its merits, but generally the term will include:

- (i) lap dancing
- (ii) pole dancing
- (iii) table dancing
- (iv) strip shows
- (v) peep shows
- (vi) live sex shows

2.5 Adult entertainment not classed as “relevant entertainment” may still require licensing under the Licensing Act 2003.

2.6 There are some specific grounds for refusing sex establishment licences set out in paragraph 12 of schedule 3 to the 1982 Act. These include where the applicant is unsuitable to hold a licence, due to their age, domiciliary status, or previous criminal convictions.

2.7 The Council must refuse to grant or transfer a licence to: -

- (a) A person under the age of 18.
- (b) A person who is for the time being disqualified from holding a licence.
- (c) A person who is not resident in the United Kingdom or was not so resident throughout the period of 6 months immediately preceding the date upon which the application was made.
- (d) A body corporate which is not incorporated in the United Kingdom.
- (e) A person who has, within the period of 12 months immediately preceding the date upon which the application was made, been refused the grant or renewal of a licence for the premises, vehicle, or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

2.8 The Council may refuse

- (a) an application for grant or renewal of a licence on one or more of the grounds shown in paragraph 2.8 below.
- (b) an application for transfer of a licence on either or both grounds shown in paragraph 2.8 (a) and (b) below.

2.9 The grounds for refusal are: -

- (a) that the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason.
- (b) that if the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application himself.
- (c) that the number of sex establishments in the relevant locality that the application is made is equal to or exceeds the number which North Somerset Council considers is appropriate for that locality.
- (d) that the grant or renewal of the licence would be inappropriate having regard to:
 - (i) the character of the relevant locality.
 - (ii) the use to which any premises in the vicinity are put; or
 - (iii) the layout, character or condition of the premises, vehicle, vessel, or stall in respect of which the application is made.

2.10 There is no right of appeal against refusal of an application on the above grounds.

2.11 Nil may be an appropriate number for the purposes of paragraph 2.8 (c) above.

2.12 Licences will usually only be granted in predominately commercial areas and the Council is mindful of its power to be able to determine that no sex establishments should be in a particular locality. In accordance with case law, the Council will determine locality on a factual basis considering the circumstances of each case and not by drawing boundaries on a map.

2.13 In deciding the appropriate number of premises to be licensed in any locality, the Committee shall consider the character of the relevant locality and what is the appropriate number of sex establishments for the relevant locality.

2.14 In considering the character of a locality the following factors will be taken into consideration:

- (i) Whether the premises are sited in a residential area.
- (ii) Whether the premises are sited near shops used by or directed to families or children, or on frontages frequently passed by the same.
- (iii) Whether the premises are sited near properties which are sensitive for religious purposes e.g., churches, mosques, temples.
- (iv) Whether the premises are sited near premises or areas which are sensitive because they are frequented by children, young persons, or families, including but not limited to educational establishments, leisure facilities such as parks, libraries or swimming pools, markets and covered markets
- (v) Any adverse impact on crime and disorder and public nuisance in the Relevant Locality which the operation of the sex establishment may generate.

- 2.15 The Council would not usually consider it would be appropriate to permit waivers from the requirements to hold a sex shop licence, except in extreme circumstances considered by the full Licensing Committee (for example, to allow a temporary re-location of a business that meets the requirements under this policy following damage to the licensed premises).
- 2.16 Legislation allows relevant entertainment on an infrequent basis of no more than eleven occasions within a 12-month period, providing there is at least one month between each period of entertainment which itself does not last for more than 24 hours. Therefore, the Council would not usually consider it would be appropriate to permit waivers from the requirements to hold a sexual entertainment venue licence.
- 2.17 An applicant for a waiver must submit the information prescribed in the legislation and such other information as the council may reasonably require. There are no advertising or publicity provisions governing waivers. If an application for waiver is allowed, a waiver notice is given which can be for a specific period or open ended. When it is open ended, the council, by giving at least 28 days' notice, can bring it to an end. The Council will consider each waiver application received on its own merits
- 2.18 The applicant will be required to demonstrate that he/she is a suitable person to hold a licence. In determining suitability, the Council will normally consider:
- (i) previous knowledge and experience of the applicant;
 - (ii) any evidence of the operation of any existing/previous licence held by the applicant, including any licence held in any other local authority area;
 - (iii) any report about the applicant and management of the premises received from objectors or the Police and any criminal convictions or cautions of the applicant;
 - (iv) any other relevant reason.

3. Guidance for Applicants

- 3.1 Section 13 of Schedule 3 of the 1982 Act allows the Council to make regulations prescribing Standard Conditions applicable to Sex Establishments. The Standard Conditions applicable to Sex Shops, Sex Cinemas and Sexual Entertainment Venues are shown at **Appendix B and C**.
- 3.2 Where it is reasonable and necessary to do so, the Licensing Sub-Committee may impose additional proportional conditions on a licence in addition to the Standard Conditions. Wherever possible, these will be discussed in advance with operators.
- 3.3 Licence fees are determined each year and details are available from the licensing team and the Council's website at www.n-somerset.gov.uk. Separate fees are charged for applying for a licence, renewing a licence, and for making variations to a licence.

- 3.4 Application forms for sex shops and sexual entertainment venues, including public notices are available on the Council's website at www.n-somerset.gov.uk .
- 3.5 Due to the nature of sex shops and sexual entertainment venues it is essential that these types of premises are provided with high quality CCTV systems which are operated and maintained to a good standard.
- 3.6 A CCTV system shall be installed to cover all entrances and exits to the premises, and areas where relevant entertainment will take place. This system must be installed and fully operational before the premises opens for the licensable activity applied for. All cameras shall continually record whilst the premises are open to the public and video recordings shall be kept available for a minimum of 31 days with date and time stamping.
- 3.7 CCTV will be provided in the form of a recordable system, capable of providing evidential quality in all lighting conditions particularly facial recognition. To obtain a clear head and shoulders image of every person entering the premises on the CCTV system, persons entering the premises should be asked to remove headwear, unless worn as part of religious observance.
- 3.8 The CCTV system shall incorporate a recording facility and any recordings shall be retained and stored in a suitable and secure manner for a minimum of one calendar month. A system shall be in place to maintain the quality of the recorded image and a complete audit trail maintained. The system will comply with other essential legislation, and all signs as required will be clearly displayed. The system will be maintained and fully operational throughout the hours that the premises are open for any licensable activity.
- 3.9 A member of staff who is fully trained in the use of the system shall be on duty at all times when the premises are open until the premises is clear of customers, cleared of staff and closed.
- 3.10 The premises will provide any footage upon request by Avon & Somerset Constabulary or the Licensing Authority within 24 hrs of the request.
- 3.11 The holder of a licence for a sex establishment shall be guilty of an offence if they knowingly permit a person under 18 years of age to enter the establishment or to be employed in the business of the establishment. A person found guilty of such an offence under the Licensing Act 2003 shall be liable on summary conviction to a fine not exceeding £20,000.
- 3.12 To ensure customers are over the age of 18, the premises will be required to operate a "Challenge 25" policy, whereby if a customer appears to be under that age an adequate ID check is carried out. This would require photographic ID to be checked and only current passports and driving licences should be accepted for this purpose. If customers are unable to provide such forms of ID to establish their age, then they should be refused entry.
- 3.13 Only door supervisors who hold a valid Door Supervisors licence issued by the Security Industry Authority (SIA) should be employed at a licensed premises.

- 3.14 Door Supervisors shall be on duty on the premises whilst relevant entertainment takes place. There shall be at least one Door Supervisor on each entrance, in each separate part of the premises and on the door to the dressing room.
- 3.15 The Standard Conditions for sexual entertainment venues require that the Licensee must ensure that a suitable and sufficient number of trained staff are employed to supervise the interior of the Premises ("floor supervisors") to ensure that conditions of the licence are complied with, in particular the no touching conditions, and to ensure the safety of performers.
- 3.16 A suitable and sufficient number should be determined by carrying out a risk assessment of activities, design of the premises including accessibility to all areas, number of performers and should be linked to the capacity of the premises.
- 3.17 The Council's Standard Conditions require that a warning notice be displayed in accordance with the above legislation.

(a) The warning notice must contain the following words, and no others-

WARNING

Persons passing beyond this notice will find material on display which they may consider indecent. No admittance to persons under 18 years of age."

- (b) The word "WARNING" must appear as a heading.
- (c) No pictures or other matter shall appear on the notice.
- (d) The notice must be so situated that no one could reasonably gain access to the shop or part of the shop in question without being aware of the notice and it must be easily legible by any person gaining such access.
- 3.18 Persons holding a licence under the Licensing Act 2003 which includes the provision of activities such as lap, pole or table dancing or strip shows, may be required to apply separately for a sexual entertainment venue licence under the Local Government (Miscellaneous Provisions) Act 1982.
- 3.19 Where additional licensable activities take place at the premises e.g. the sale of alcohol, separate licences will be required to be held under both the Licensing Act 2003 and the Local Government (Miscellaneous Provisions) Act 1982. If the only activities taking place at the premises are those coming within the meaning of relevant entertainment under the sexual entertainment venue licence, then no licence will be required under the Licensing Act 2003.

4. Application Process

- 4.1 Applications must be submitted to the Licensing Authority together with the application deposit fee. Applications can be submitted by post or online. The application form can be used for the grant, variation, transfer and renewal applications.
- 4.2 To apply for the grant of a sex establishment licence an applicant must:
- (a) Send the council:
 - (i) A completed application form;
 - (ii) A plan to the scale of 1:100 of the premises to which the application relates showing all means of ingress and egress to and from the premises, parts used in common with any other building, and details of how the premises lie in relation to the street. In the case of sexual entertainment venues, the plan must outline the area that relevant entertainment that will take place.
 - (iii) Drawings showing the front elevation as existing (or as proposed) to a scale of (1:50). Details should be included of how the exterior design of the premises will be such that the interior of the premises are invisible to passers-by.
 - (iv) A copy of the house rules.
 - (v) The fee (a 25% deposit fee of the full fee will be required with the balance of the full fee being due on the grant of a licence)
 - (b) Display a notice setting out the details of the application made on or near the premises;
 - (c) Advertise the details of the application made in a local newspaper;
 - (d) Send a copy of the application and plan to the Avon and Somerset Constabulary, Liquor Licensing, Weston-super Mare Police Station, Filers Way Weston-super-Mare BS24 7JP within 7 days of making the application to the council.
- 4.3 Applicants must give public notice of the application by publishing an advertisement in a local newspaper. This must be published within 7 days of making the application. If the application relates to a premise, then there is an additional requirement for notice of the application to be displayed for 21 days on or near the premises where it can be conveniently read by the public. The notice, the form of which is prescribed by the Licensing Authority, must contain certain information.
- 4.4 Applicants for sexual entertainment venues must also submit a copy of their "House Rules". Such House Rules must contain the required conduct of performers which shall include matters contained within conditions of the licence, i.e. no touching, no meeting customers, no sex acts, no giving or taking phone numbers (including exchange of business cards). Such House Rules will form part of the licence (if granted) and may be subject to amendment by the Council prior to approval.

- 4.5 Applicants must make provision for all performers to sign documentation to confirm their knowledge of and acceptance to adhere to the House Rules. Such documentation must be retained for the duration of the performers' employment and for a further 6 months from the date they last worked at the premises, whether they are employed directly or freelance.
- 4.6 With regard to online applications, tacit authorisation does not apply to new grant, transfer or variation applications for sex establishment licences. This means you must wait for the Council to determine your application before you can operate or make changes to a sex establishment.
- 4.7 The holder of a Sex Establishment Licence may apply at any time for any variation of the terms, conditions or restrictions on or subject to which the licence is held. It should be noted that applications for variation of licence are also subject to the site and newspaper notice advertising requirements
- 4.8 The process of applying for a variation is the same as that for applying for an initial grant except that plans of the premises are not required unless the application involves structural alterations to the premises.
- 4.9 In accordance with the Act the Council may determine an application to vary a licence as follows:
- (a) grant the application as applied for, or
 - (b) grant the application with such variations as they think fit, or
 - (c) refuse the application
- 4.10 The holder of a Sex Establishment Licence may apply for renewal of the licence. In order for the licence to continue to have effect during the renewal process, a valid application form together with the appropriate fee must be submitted before the current licence expires. If this is not done the licence will be deemed to have lapsed and an application for a new grant of a licence will be required. Applicants are therefore advised to make renewal applications at least 28 days before the expiry of a licence to ensure continuity of the licence.
- 4.11 The premises can continue to operate past the licence expiry date provided that the renewal application has been submitted to the Council before the licence expires. The Council will notify an applicant of its decision.
- 4.12 The process of applying for the renewal of a licence is the same as that for applying for an initial grant except that plans of the premises are not required.
- 4.13 When considering a renewal application, the Council will take into account the criteria listed above and:
- a) past demonstrable adverse impact from the activity
 - b) whether previously agreed measures have put into effect by the applicant to mitigate any adverse impacts.
- 4.14 A persons may apply for the transfer of a licence at any time.

- 4.15 The process of applying for the transfer of a licence is the same as that for applying for an initial grant except that plans of the premises are not required.
- 4.16 There are specific grounds set out below where the transfer of a licence can be refused by the Council.

5. Commenting on licence applications

- 5.1 The Council will consult with relevant bodies and persons to ensure that all relevant information is available when considering an application. For the purposes of this act the Council will consult with the following:
- a) Avon and Somerset Constabulary (Statutory Consultee)
 - b) North Somerset Council's Children and Young Peoples Service
 - c) Ward Councillors
 - d) Town or Parish Councils relevant to the application being made
 - e) Trade bodies or local partnerships where appropriate
- 5.2 Objectors should limit their objection to matters which are relevant to the statutory grounds for refusal as set out in the 1982 Act. The relevant grounds are as follows:
- (a) to the character of the relevant locality; or
 - (b) to the use to which any premises in the vicinity are put; or
 - (c) to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.
- 5.3 Any objections received by the Council which do not relate to the grounds set out in the Act shall be rejected by the Council. Where objections are rejected, the objector will be given written reasons.
- 5.4 Objectors can include residents'/tenants' associations, community associations and trade associations. Councillors and MPs may also raise objections. Elected North Somerset Councillors may represent interested parties, providing they do not also sit on the Licensing Sub-Committee determining an application.
- 5.5 The Council will not consider objections that are frivolous or vexatious, or which relate to moral grounds (as these are outside the scope of the 1982 Act). Decisions on whether objections are frivolous or vexatious will be made objectively by officers and not on the basis of any political judgement. Where objections are rejected, the objector will be given written reasons. A report will be made to the Licensing Sub-Committee determining the application (if appropriate), indicating the general grounds of the representation and the reasons for rejection.
- 5.6 A vexatious objection is generally taken to be one which is repetitive, without foundation or made for some other reason such as malice. A frivolous objection is generally taken to be one that is lacking in seriousness.

- 5.7 Valid objections will be considered by the Licensing Sub-Committee at the hearing to consider the application. Applicants and objectors will be given an equal opportunity to state their case.
- 5.8 Objections must be made in writing (email is acceptable) and should include the following:
- a) the name and address of the person or organisation making the objection
 - b) the premises to which the objection relates
 - c) the proximity of the premises to the person making the objection; a sketch map or plan may be helpful to show this
 - d) the reasons for making the objections, which are clearly set out in relation to the grounds for refusal as stated at paragraph 76 above.

6. Determination of applications

- 6.1 The Council will consider each case upon its merits and will not apply rigid rules to its decision making.
- 6.2 When considering applications, North Somerset Council will have regard to:
- a) the Local Government (Miscellaneous Provisions) Act 1982, as amended,
 - b) any supporting regulations,
 - c) this licensing policy
- 6.3 When determining a licence application, the Council will have regard to any rights the applicant may have under Article 10 (right to freedom of expression) and Article 1, Protocol 1 (protection of property) of the European Convention on Human Rights.
- 6.4 Individuals or responsible authorities will only be afforded a hearing if the Chairman can be satisfied that:
- a) a relevant written objection was received before the end of the 28-day statutory consultation period.
 - b) the objector can be confined to putting forward only those points that are relevant to consideration of the grounds of refusal and which have been notified in writing by the applicant.
- 6.5 If none of the above applies to the applicant and no objections have been received and there are no other statutory grounds for refusal, including that the application does not exceed any permitted numbers, the application will be granted by way of delegated authority by officers.
- 6.6 However, if any objections have been received, or if there are officer concerns regarding the characteristics of the locality, the application will be referred to the Council's Licensing Sub-Committee for a hearing of the application.

- 6.7 An application for the transfer of a licence can only be refused on the following grounds:
- a) that the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason;
 - b) that if the licence were to be granted, the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant of such a licence if he made the application himself;
- 6.8 The Council will give clear reasons for its decisions when determining an application.
- 6.9 When issuing a sex establishment licence the Council is permitted to issue it on such terms and conditions and subject to restrictions as specified at the time the licence is issued.
- 6.10 The Council has the power to make standard conditions applicable to all licences for sex establishments and the standard conditions agreed by the Council are shown at **Appendices B and C**.
- 6.11 Should the Council's standard conditions be amended at any time in the future, they would apply to all licences already issued as if the conditions had been in place at the time they were granted.
- 6.12 All standard conditions will be reviewed as part of the full Policy review.
- 6.13 The Council will, unless there are exceptional reasons otherwise, grant licences for the maximum duration of one year to provide certainty to those operating businesses.
- 6.14 If an application is refused, or revoked, following a hearing, then the applicant will be informed of the decision and whether there is any right of appeal.
- 6.15 Appeals must be made to the local magistrates' court within 21 days, starting from the date the applicant is notified of the Council's decision. The local Magistrates' Court to which such an appeal should be submitted is North Somerset Magistrates', Court, The Court House, The Hedges, St Georges, Weston-super-Mare, BS22 7BB. It should be noted that a fee is payable to the Magistrates' Court to lodge such an appeal.
- 6.16 Applicants can appeal against the refusal of a grant, renewal, variation or transfer application, or against the decision to revoke a licence. They can also appeal against conditions or restrictions imposed.
- 6.17 An appeal against the Council's decision if the application was refused cannot be made on the following grounds:
- a) that the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality; or

b) the grant of the licence would be inappropriate considering the character of the area, the nature of other premises in the area, or the premises themselves.

6.18 The Magistrates' court will determine the appeal application. If you do not agree with the decision made by the Magistrates' Court, you can appeal to the local Crown Court. The decision made by the Crown Court will be final.

6.19 The Council will comply with a decision made by the Magistrates or Crown court.
