1. Our Role

Introduction

North Somerset Council strives to deliver excellent services to local people and pledges to be an open, fairer and greener Council. The Council has recognised through its Corporate Plan the importance of excellence in resource management and sound governance as fundamental to achieving its priorities.

Audit West fully recognises its need to be flexible and agile in the face of the significant changes affecting the whole of the public sector and meet the needs of its stakeholders. Independent assurance which is strong but supportive can provide a helpful and positive role not just to services but to elected Members and the Community at large by demonstrating that the Council is operating effectively and protecting its assets and resources for the benefit of all its stakeholders.

Three Lines of Defence Model

By being independent of management, Audit West maintain the third line of defence and we continue to do this effectively by working with all our stakeholders - especially the Audit Committee, Statutory Officers and Senior Management – to improve the service we offer but also to provide an independent voice in supporting service change and transformation.

We also aim to offer continued value to all our clients based on the following key priorities –

- **Use of our Reasonable Assurance Model**
- **Maximising Use of Technology**
- **Investment in Skills**
- **Offering Complimentary Assurance Services**
- **Providing Value for Money**

The remainder of this document outlines our approach and also the indicative areas for our audit and assurance plan for 2024/25.

2. Vision and Values for North Somerset

Our vision

An Open, Fair, Green North Somerset

Open

You told us open means being honest and transparent. It means listening to you and your views on the decisions we make. It means being accountable for how we spend your money and ensuring we provide the very best value we can.

Fair

You told us fair means being accessible and inclusive in how we work. It means listening to the views of all groups and acting on local issues. It means ensuring equity in access to services.

Green

You told us green means we take our responsibility to respond to the climate emergency seriously. It means we do all we can to understand the impact our actions have on the environment and mitigate them where possible.

Our values

We act with **INTEGRITY**

We **RESPECT** each other

We **INNOVATE**

We **CARE**

We **COLLABORATE**

3. How the Internal Audit Plan is Compiled – Reasonable Assurance Model

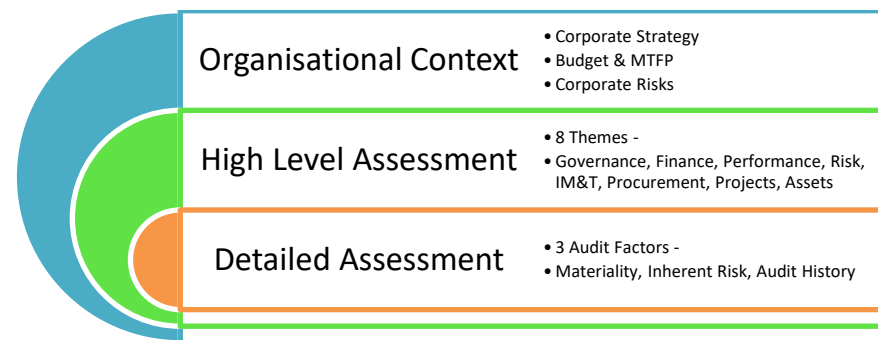

A key component of the audit needs assessment is using the adopted ‘Reasonable Assurance Model’ to assess the level of Assurance in place over eight themes.

Each Theme has a set of questions and the answers to these questions help assess the level of assurance and the level of risk for each theme. The Reasonable Assurance Model informs the Internal Audit Annual Plan and enables an assessment of compliance with the seven principles of good governance as recorded in the Council’s Local Code of Corporate Governance.

In addition to the Reasonable Assurance Model assessment the annual plan is created by:

1. Consideration of risks recorded in the Council’s Corporate and Directorate Risk Registers and objectives within the Corporate Plan and Annual Directorate Statements.
2. Horizon scanning – external publications and networking groups e.g., LACAN (Local Authority Chief Auditors Network)
3. Consultation with Directorate Leadership Teams, key Corporate Officers, Statutory Officers and the Audit Committee – discussions cover any issues, and new / heightened risks based on new or changes in responsibilities.
4. External Review Body findings or planned reviews.
5. Risk scoring long list of potential areas of audit activity based on factors such as: Internal Audit History (previous assurance opinions, time since last review), Inherent Risk (operational, technical, reputational & people), Materiality (income, expenditure, planned savings), and Audit Management knowledge experience.

In accordance with the PSIA Standards, the plan needs to be flexible to respond to the changing risks and priorities of the Council and, to this end, audit planned activity will be regularly reviewed and changes reported to management and the Audit Committee.

4. Detailed Internal Audit Plan

This listing records the core activity of the Internal Audit Service and the planned audit reviews as of 1st April 2024.

The recorded 'Quarter' scheduling is an indication of timing of each review but is intended as a guide only and is subject to change. Work in addition to that in the plan is also delivered through audit investigations and general advice to service areas, as is required.

Item	Title	Start (Quarter)	Directorate	Theme
1	Grant Funding Requiring Audit Verification	1/ 2/ 3/ 4	ALL	Finance

37	Safety Valve Scheme	4	Children's	Governance
38	Children's TBC	1	Children's	TBC
39	School Financial Value Standard (SFVS)	4	Children's	Finance

5. Other Key Components of Internal Audit Planned Work

1) Fraud – Prevention & Detection

Counter-fraud and corruption arrangements are a high priority for the Council and assist in the protection of public funds and transparency & accountability. Under the Council's Financial Regulations, the Internal Audit Service must be informed of any 'financial irregularities' and we are committed to responding timely to any reported or identified cases through carrying out our proactive work. Our proactive anti-fraud and corruption testing is focussed on those areas / systems considered to be most at risk to fraud.

The CIPFA guidance ('Code of practice on managing the risk of fraud and corruption'), the CIPFA Fraud and Corruption Tracker (CFaCT) survey, and the Fighting Fraud and Corruption Locally strategy, all assist in assessing and informing fraud and corruption risks and planning the work of the Internal Audit service. Nationally, the notable areas of fraud include Housing Benefit, Council Tax/ Single Person Discount, Housing and Tenancy, Procurement, Insurance, Abuse of Position, Blue Badges, and Direct Payments (Social Care). These areas and the risks are considered as part of the audit planning process and this is evident in the list of audit reviews recorded in Section 5, as well as in previous audit plans.

In terms of other proactive work, the Cabinet Office runs a detailed national data matching exercise (National Fraud Initiative - NFI) every two years. Information must be extracted from several Council databases and uploaded to the NFI database run. The results of the most recent exercise were reported in April 2024.

The Council has an adopted an Anti-Fraud and Corruption Strategy and associated policies and these were reviewed and updated in 2022/23. Staff awareness of fraud and scams is very important, and the Internal Audit service provide training and regular bulletins to ensure that staff are reminded of the risks and the need for continued diligence. This work will continue throughout 2024/25.

2) Corporate Governance

The Accounts and Audit Regulations require the Council to carry out an annual review of its governance arrangements, and to produce an annual statement detailing the results of that review.

The AGS must be seen as a Council wide document, and it is reviewed and approved by the Audit Committee. The Leader of the Council and the Chief Executive are required to sign the document which is then published with the Council's statement of accounts.

The Internal Audit service provide support by using an adopted methodology to carry out an Annual Governance review.

3) Independent Certification of Grant Funding

Significant funding is provided to the Council by funding bodies such as the West of England Combined Authority and Government Departments. The Internal Audit service are required to independently verify expenditure and provide an opinion on whether expenditure is in compliance with Grant Terms & Conditions.
